

## Getting to Abingdon from Oxford:

**By car:** Take the A34 south. Turn off at junction marked **Abingdon (North)**. On leaving the A34, turn left and go straight across at the roundabout. Carry straight down Oxford Road for one mile until you reach a mini roundabout with Catholic Church of Our Lady on left. Go straight on. You are now in Vineyard (see map).

**By bus:** Take the X2, X3, X4, X13 or X35 from St Aldates. Get off at the Vineyard stop (see map)

## Getting to Abingdon from Reading

**By car:** Cross Abingdon Bridge and follow one way system round to left. At traffic lights turn right along Stratton Way. Take left fork at next traffic lights along Vineyard (see map).

**LUNCH:** We will stop at the King's Arms, Sandford-on-Thames to use the facilities. The pub is next to the lock. Food is served, but it might be best to bring a packed lunch. We cannot consume our own food on the premises, but there is plenty of grass on the opposite side of the river to sit. However, a pint from the pub might help with the walk!
